4 Items for discussion-both schools

4.1 Enrollment & virtual 4.2 Breakfast Program/lunch & Snack 4.3 COVID protocols 4.4 Budget 4.5 Parent items brought up	4.1 Our enrollment is 248 and 249 was predicted. SonRise remained the same. High school went up as we had many new students and a large grade 9 class. Currently there are 17 students in virtual learning from SR and HS and 6 others from the other two schools which TLC is serving. We also have 15 students from the high school who are doing a Hybrid program with courses at TLC and in person here. 4.2 Breakfast program continuing through grants and fundraising for the high school portion. Breakfast is better this year as we are allowed to cook. We have a student who is

	<p>going to start helping fulltime and hopefully it will allow us to cook for SonRise in the morning as well. The Sonrise cohort still eats in their classrooms. We are placing snack items in each HS and SR classroom. We worry about all our students having snacks to eat in these worrisome times. In 2017 I applied for grants from the breakfast program of CANada. I received 12000 in June and a further 9500 in September. We are going to start some free lunch programs. We are just figuring it out at the current time.</p> <p>4.3 Jackie and Jeff went through the general protocols implemented in the re-entry plan. Jackie discussed moving Sonrise online. Hand sanitizer, mask use, cohorts, contact tracing, facilities,</p> <p>4.4 Budgets changed last year with the 3 year weighted average coming into play. We are funding based on enrollment from last year and the predicted amount for the next year. We have a set budget except for the amount of money we receive from inclusive education. That is based on the number of students with needs in the current year. My meeting is on Friday to determine the number.</p> <p>4.5 A parent asked about school sports. At the current time we are uncomfortable with the amount of COVID in our community. There are lots of logistics when you are travelling to other communities when cases are high and trying to feed all the players. Golf provincials, which is an outside sport, has been cancelled. Many coaches who are volunteers are nervous about this all as well. Staff will discuss this tomorrow at our staff meeting.</p>
