4 Items for discussion-both schools

- 4.1 Enrollment & virtual
- 4.2 Breakfast Program/lunch & Snack
- 4.3 COVID protocols
- 4.4 Budget
- 4.5 Data Day and school goals
- 4.6 Hiring
- 4.7 Parent items brought up

4.1 Enrollment is 247 which includes virtual (26) and hybrid (22) learners. Sunrise has 46 students. TLC also has 6 virtual learners from Summitview and 1 from Sheldon Coates. 14.1 FTE teachers and 6 EA's.
4.2 We tried our first Lunch with grade 11 and 12's and 34 students took part. They had subs.
4.3 Jackie and Jeff went through the general protocols implemented in the re-entry plan. Jackie discussed moving Sunrise online. Hand sanitizer, mask use, cohorts, contact tracing, facilities. A total Of 12 cases in our school. No current active cases that we are aware of.

	<p>4.4 Budgets we were able to carry forward 3% of our surplus into this year's budget. It is being left in reserve as we are expecting the government to cut the equalization payments. All schools have been putting this money aside in preparation for the drop in funding. Budgets are now being done quarterly. We need to balance and submit each quarter. It is good as it allows us to move money around budget lines as we see fit.</p> <p>4.5 We recently had our DATA day where we drilled down on all of the testing we did at the beginning of the year. We started to develop our SCIP goals for this year along with strategies. The government did confirm grant funding today in an announcement but at the current time we are unsure of exactly what that means for our 1-3 students. This funding was tied to all the screening that we did at the beginning of the year. We are concerned about mental health for students.</p> <p>Literacy: Improve literacy by focusing on reading comprehension of all students by June 2022. Improve literacy by focusing on writing fluency of all students by June 2022.</p> <p>Numeracy: By June 2022 students will develop and teachers will prioritize number sense (basic mathematics facts) as it pertains to their curriculum, and apply these skills across all core subjects.</p> <p>4.6 Hired one more TA for High School. Increased Kinder grade 1 teacher time by .1FTE</p> <p>4.7 Career days would be great for students. Mr Delilse volunteered to be a guest speaker. Consider doing a virtual career day. Jackie will look into it for the spring.</p> <p>Parents asked about mental health support for our students. Parents were told and acknowledged that we have caring staff, Family School Liaison Counsellor, BEST coordinator, grade nines have mental health presentation, party program.</p>
